EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the specification, p. 1 under the "Reference to Related Applications' section", replace the first paragraph with the following recitation:

This application is a continuation-in-part of U.S. utility application 10/193,884 (099/003), filed July 12, 2002, now US Pat. No. 7,425,448; and claims the priority benefit of U.S. provisional applications 60/305,087 (099/001x), filed July 12, 2001; and 60/322,695 (091/002x), filed September 10, 2001.

Examiners Comment

The instant application has submitted color drawing without the appropriate petition, fee, or amendment to the specification.

Color Drawings

Color photographs and color drawings are acceptable only for examination purposes unless a petition filed under 37 CFR 1.84(a)(2) is granted permitting their use as acceptable drawings. In the event that applicant wishes to use the drawings currently on file as acceptable drawings, a petition must be filed for acceptance of the color photographs or color drawings as acceptable drawings. Any such petition must be accompanied by the appropriate fee set forth in 37 CFR 1.17(h), three sets of color drawings or color photographs, as appropriate, and an amendment to the first paragraph of the brief description of the drawings section of the specification which states:

Art Unit: 1632

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the U.S. Patent and Trademark Office upon request and payment of the necessary fee.

Color photographs will be accepted if the conditions for accepting color drawings have been satisfied.

In the instant case, it appears that color drawings were filed with the instant application. Applicants are required to fulfill the requirements for color drawings as outlined above.
